

PROPOSALS UNDER CONSIDERATION

The Department has made proposed recommendations for the 2018-22 Upland Game Rule.

Proposed amendments for the 2018-22 Upland Game Rule include:

- Adjust upland game seasons according to current calendar
- Update seasons and limits based on public comment
- Remove outdated language from current rule
- Add Eurasian collared-dove as a species requiring a hunting license to comply with State statute
- Modify Eurasian collared-dove seasons to coincide with other upland game seasons on State Wildlife Management Areas

Please send any comments you have regarding the proposed changes to casey.cardinal@state.nm.us
