

Donate to Share with Wildlife!

New Mexico wildlife needs your help! The **Share with Wildlife** program at New Mexico Department of Game and Fish is committed to supporting conservation and management efforts for wildlife in New Mexico that are without other sources of funding and would otherwise be lacking in support.

In particular, the program supports projects that involve biological and ecological studies, wildlife education, habitat enhancement, and wildlife rehabilitation. The program has funded over a hundred projects just in the past 10 years.

Share with Wildlife is supported entirely through **tax-deductible** donations from the public. ALL donations go directly to supporting wildlife – no donated funds are spent on program administration.

If you have questions about the Share with Wildlife program, please contact the Share with Wildlife coordinator (Ginny Seamster; virginia.seamster@state.nm.us; 505-476-8111). To make a donation, please fill out the form below and send with your check, made payable to **Share with Wildlife**, to the following address:

Ginny Seamster, Share with Wildlife Coordinator
New Mexico Department of Game and Fish
One Wildlife Way
Santa Fe, NM 87507

Thank you so much for your support of New Mexico's wildlife!
