**NEW MEXICO ONLINE HUNTER EDUCATION AFTER SCHOOL PROGRAM
GRANT APPLICATION
2016-2017**

The New Mexico Department of Game and Fish (Department) is accepting grant proposals for the facilitation of an Online Hunter Education After School Program. Successful funding of grant proposals will result in agreements in furtherance of the provisions of the Department's Hunter Education Program as outlined in Sections 17-2-33 through 17-2-35 NMSA of the Hunter Training Act. Respondents to this request must utilize the appropriate Grant Application Form issued by the Department. The Grant Application Form is available on the Department's website www.wildlife.state.nm.us/education/hunter-education or by contacting Jennifer Morgan at 505-222-4722 or via e-mail at jennifer.morgan@state.nm.us.

The Department will provide funding to schools for the purpose of advancing the provisions of the Hunter Training Act. Grants will pay teacher stipends for teacher training, planning, preparation and facilitation of the online hunter education course as an after school program. The Program is designed as an online course facilitated by teachers, faculty or individuals sponsored by the school ("partners") that will be trained and certified by the Department. The grant program operates on a reimbursement basis only. Schools are not required to provide upfront costs to participate in the program. Please see the definition section of this Grant Request Proposal for detailed descriptions of the reimbursement process.

The Department intends to award funds and enter into agreements with all schools that meet the grant funding criteria. Schools selected for awards may be subject to interim evaluations and review during the agreement period.

Funding for this grant program is derived from hunters, anglers, and trappers and the federal excise dollars collected by the Pittman-Robertson Fund. Funding is contingent upon budgetary approval made by the New Mexico State Legislature and the Department.
