

# HUNTING<sup>®</sup> IS CONSERVATION

RMEF's mission is to ensure the future of elk, other wildlife, their habitat and our hunting heritage.

Since our inception in 1984 the Rocky Mountain Elk Foundation has completed more than 11,800 conservation projects across the country, benefitting more than 7.4 million acres of wildlife habitat.

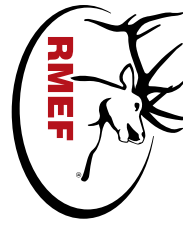

In New Mexico, RMEF and its partners have completed 406 conservation and hunting heritage outreach projects with a combined value of more than \$43.8 million. These projects have permanently protected 112,434 acres and enhanced another 414,931 acres of habitat.

**ELK TAG DRAWING**

Once again the Rocky Mountain Elk Foundation and the New Mexico Department of Game & Fish are offering a chance to win a hunt of a lifetime.

If you win this tag you can hunt any time from **September 1, 2019 - January 31, 2020**

Hunt statewide on any public land open to elk hunting or on private land with permission. Any legal sporting weapon, no matter the date. The tag is included and guide service is not required.

New Mexico has many areas that have trophy class elk that will score 350-400 and this is your chance to have an opportunity to hunt in these areas. The funds raised from this raffle will go to the New Mexico Game and Fish Department to benefit New Mexico's elk and their habitat.

Enhancement Funds are used to support restoration projects over large acreages of priority landscapes, thereby helping to positively influence ecosystem processes at large and meaningful scales.

This tag is also special in that the winner may transfer the tag to another individual. Past raffle winners have sold this tag for \$35,000 to \$40,000. This tag has sold several times at the Rocky Mountain Elk Foundation National Convention for \$90,000 plus.
