

Berrendo Creek, Roswell, OG.156

Information: Berrendo Creek Fishing Area, contains 0.78 miles of shoreline along Berrendo Creek. The property is located on the eastern edge of the Roswell, NM city limit.

Berrendo Creek is of moderate to high quality habitat for various game fish and maintains water at a fairly constant level throughout the year. Along with overhanging woody vegetation, decomposing saltcedar that has entered the waterway also provides suitable structure for a variety of fish species.

Berrendo Creek presently supports bluegill, sunfish, catfish, and largemouth bass. The creek is also stocked with trout for anglers during the winter months.
