The following ranches receive private-land authorizations for pronghorn antelope hunting which may be bartered, sold or traded to the public. For each Game Management Unit (GMU), the list indicates ranches that are participating in the A-PPLUS program for the 2019 - 20 License Year and have signed a Hunting Agreement with the Department and have been issued hunting opportunities. For each ranch the list indicates: the ranch number, the authorized ranch contact person and contact information, enrolled acreage, and the number of hunting opportunities (MB / F-IM / ES) issued to the ranch.

This list is provided as a courtesy of the New Mexico Department of Game and Fish. Arrangements for obtaining an authorization is specifically between the hunter and the landowner or authorized ranch contact person. Once an authorization is obtained by the hunter, he/she may purchase their private-land pronghorn license online, by telephone or at NMDGF offices (NMDGF vendors statewide cannot issue private-land licenses). Instructions on how to purchase licenses online can be found on the department website at [http://www.wildlife.state.nm.us](http://www.wildlife.state.nm.us) via Hunting - Hunting Lands and Maps - Antelope Private Lands.

Acreages listed in this report reflect the enrolled acreage of each ranch. Hunting opportunities issued to each ranch are based on the qualifying pronghorn antelope habitat acreage of each property.

**Hunting Status:**
- **RO** = Ranch Only
- **UW** = Unit Wide (Units 29, 50 and 52 only)

Both private and assigned public hunters shall have free, unrestricted and equal access (to include vehicle access) to the entire ranch (private deeded and leased public lands, where applicable).

For details and information on public and private-land pronghorn antelope hunting please refer to the 2019 - 20 New Mexico Hunting Rules and Information Booklet. This booklet is available at all NMDGF offices, on our Department website at [www.wildlife.state.nm.us](http://www.wildlife.state.nm.us), and at NMDGF vendors statewide.
