Elk Draw Licenses

(See *Big Game Rules: While in The Field You Must Have All of the Following*, page 20.)

Deadline to apply for the drawing is March 18, 2015. Only New Mexico residents may apply for Antlerless (A) Elk Draw Licenses. **Nonresidents are ineligible** for any hunts held exclusively on State Game Commission-owned WMAs.

Four types of Elk Draw Licenses are available to hunters using rifle, bow or muzzleloader, including: standard hunts (S); quality hunts (Q); high-demand hunts (HD); and combination quality and high-demand hunts (Q/HD).

Each Elk Draw License is only valid for a specific hunt in a specific area and for the dates designated on the license issued. **Draw licenses may not be: traded for a Private-land License; returned for refund; or transferred, sold or bartered.** It is illegal to apply for, buy or use more than one license or tag for any big-game species during any license year—except as permitted by rule.

Application and License Fees (pages 5, 7)

Residents of New Mexico pay the same fee for standard, quality or high-demand hunts. However, nonresident pay higher fees for quality and high-demand hunts. Fees differ for mature bull (MB), either-sex (ES) and antlerless (A) elk. A Habitat Management & Access Validation is required for all hunts. A Habitat Stamp is required for hunting on Forest Service and/or BLM lands (page 10).

Up to four persons may apply per application for an Elk Draw License. If allotted a license in the draw that has a fee lower than that submitted when applying, the difference will be refunded.

Legal Sporting Arms

Any Legal Sporting Arm: Centerfire rifle or handgun, .24 caliber or larger; shotgun, no smaller than 28 gauge, firing a single slug; bow and arrow; crossbow and bolt; or muzzleloading rifle, no smaller than .45 caliber.

Archery Only: Bow and arrow. Crossbow use by certified mobility-impaired hunters only.

Muzzleloader: Muzzleloading rifle no smaller than .45 caliber, scopes and sabots are legal for all elk hunts. Bows and crossbows are legal sporting arms.

Bag Limit (Glossary of Terms, page 133)

MB One mature bull. A spike bull is not legal.

A One antlerless elk.

ES Any one elk.

APRE/6 An elk with six or more points on at least one antler.

Mobility-Impaired Hunts

Applicants for Mobility Impaired Hunts must be registered with NMDGF prior to applying (page 12).

Youth-Only Hunts

Youth-Only Hunts are open to persons younger than 18 years of age on the opening day of the hunt. A Hunter Education number (page 8) is required to apply for Youth-Only Hunts.

Fourth-Choice Elk Hunts

By selecting 4th-choice an applicant is indicating that he/she **will accept** an Elk License for **any hunt** in a specific quadrant of the state. The 4th-choice assignment will always be for the same sporting-arm type as the 1st-choice on the application.

Hunters should understand that success rates for 4th-choice hunts may be low, due to small and localized populations of elk. **Hunters who apply for and receive a 4th-choice hunt will not receive a refund if dissatisfied with the hunt drawn.** Not all hunts are available in the 4th-choice hunt pool.

A hunter drawing a 4th-choice could receive a license with an antlerless bag limit, even if his/her prior three choices were for mature bull licenses.

If applying for a 4th-choice hunt, applicants must select one of the four quadrants listed.

Fourth-Choice Elk Hunt Quadrants

NW Northwest may include Units 2, 4, 5, 6, 7, 9, 10 or 12

NE Northeast may include Units 43, 45, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57 or 58

SW Southwest may include Units 13, 15, 16, 17, 18, 21, 22, 23 or 24

SE Southeast may include Units 28, 30, 33, 34, 36, 37 or 38

Valle Vidal

Four types of hunts are available on the Valle Vidal and Greenwood area (Unit 55A).

Once-in-a-Lifetime Mature Bull/Either Sex: Only persons who have never drawn this hunt are eligible to apply.

Once-in-a-Lifetime Antlerless: Only New Mexico residents who have never drawn this hunt are eligible to apply.

Once-as-a-Youth Mature Bull: Only persons younger than 18 years of age who have never drawn this Youth-Only Hunt and who possess a Hunter Education number (page 8) are eligible to apply.

Once-as-a-Youth Antlerless: Only New Mexico residents younger than 18 years of age who have never drawn this Youth-Only Hunt and can provide proof of a Hunter Education number (pages 8, 9) are eligible to apply.

Note: If a youth has drawn any Valle Vidal Once-in-a-Lifetime Hunts, he/she will not be eligible as an adult for that hunt.

Late Season Online Licenses for Archery Only in Units 12, 34 and 37

Hunting elk outside the rut can be difficult and harvest success could be very low. Harvest is restricted to an APRE/6 (page 133). See page 79 for open units, hunt dates and hunt codes.

Private-land Hunts

Hunters **may not hold both** a Private-land License and a Public-draw Elk License in the same license year and **may not exchange** a Public-draw License for a Private-land License.

To purchase a Private-land Elk License, a hunter negotiates directly with a registered landowner who will provide a ranch number, authorization number, hunt code(s), season dates and fee type. The license may then be purchased and printed online from the customer's account.

For assistance with this process please telephone: **1-888-248-6866**.

Ranch Only or Unit Wide

Before negotiating, hunters should check online (www.wildlife.state.nm.us) or inquire of landowner to determine if authorizations are Ranch Only or Unit Wide. **Unit Wide:** Unit-wide landowners must permit free, unrestricted and equal access, including vehicles, to their entire ranch for all legally licensed elk-draw or unit-wide private-land elk hunters during each published elk hunt in that unit. This authorization does not constitute permission to hunt any other species or during any other time period. Access restrictions by landowners should be reported to a NMDGF conservation officer. Legally accessible public land in the same unit also may be hunted.

Ranch Only: The ranch-only private-land hunter is restricted to the property's deeded acreage.

Units 4, 5A, 46, 55A and 55B: Hunter also may obtain written permission from landowners in their licensed hunt unit to hunt other private lands within that unit. No public (including state) land can be hunted using a Ranch-Only Elk License.

Landowners participate voluntarily in private-land programs, and the courtesy each hunter exercises can affect access for all hunters in years to come. Contacting landowners before accessing a unit-wide property is a courtesy the NMDGF strongly encourages.

Private-land Elk License Fees

	Resident	Nonresident
Antlerless	\$69	\$347
Mature-Bull or Either-Sex	\$99	\$557
Quality Antlerless	\$69	\$782
Quality Mature-Bull or Either-Sex	\$99	\$782
Junior/Senior Elk License	\$67	Not Issued

In addition to the above fees, a hunter must purchase a Game-hunting License or Game-hunting & Fishing License. A Habitat Management & Access Validation is required for hunters 18 years of age and older (see page 10 for exceptions). A Habitat Stamp is required for unit-wide private-land license holders if hunting on Forest Service or BLM lands. High-Demand (HD) fees do not apply to private-land hunts.

Ranch-only Quality Elk Hunt Fees

For all hunt dates from September 15–October 15, Quality Elk License fees shall apply to any mature-bull (MB) or either-sex (ES) private-land authorization (except Youth Only) on private lands that lie within the Core Occupied Elk Range (COER) in Units 13, 15, 16 and 17—but shall not apply to private lands outside the COER. The COER is that portion of a Game Management Unit that contains the majority of routine and substantial elk use.

Unit-wide Quality Elk Hunt Fees

Quality elk license fees shall apply to any mature-bull (MB) or either-sex (ES) private-land license (except Youth Only), for the following hunts:

Valles Caldera National Preserve (Unit 6B) Elk Hunt

A Unique Experience

Valles Caldera National Preserve (VCNP) is one of New Mexico's premier elk hunting locations and possibly the best place in the U.S. to harvest a trophy bull on public land. Elk occupy the rich habitat of this super volcano most of the year for breeding, calving and foraging. The chances of a successful hunt are increased with only 15–25 hunters at a time on 68,000 acres. VCNP hunts are designated "Quality Hunts" because of the unique environment and abundant elk herd.

Two Chances to Hunt

You may enter both the NMDGF Public Elk Draw and the VCNP Lottery at the same time. The VCNP Lottery is conducted first, and applicants selected to hunt the VCNP will be removed from the NMDGF Public Elk Drawing. **Applicants for the Valles Caldera Lottery need not purchase a Game-hunting or Game-hunting & Fishing License before applying.**

State Quotas Will Be Used

Quotas used for this lottery are defined by New Mexico State Law and listed on page 6.

Increase Your Chances

You may purchase one ticket per hunt code and enter as many hunt codes as desired. There are 14 different hunts from which to choose. All funds generated from this lottery are used to restore, to provide access for the public and to manage the VCNP.

Direct Entries

After you have set up an individual account and received your Customer Identification Number (page 4), there are three ways to apply for the lottery.

- Online: www.vallescaldera.gov/comevisit/elk.
- Telephone: 1-866-382-5537.
- Mail: The VCNP Lottery Ticket Form is available at: www.vallescaldera.gov/comevisit/elk
Mail completed form to: VCNP, 6501 Fourth St. NW, Albuquerque, NM 87107.

The VCNP lotteries open and close on the same dates as the NMDGF public elk draw application which ends at 5 p.m. MST, March 18, 2015. Lottery results will be released in conjunction with NMDGF.

Lottery Winners

The Valles Caldera Trust will send lottery winners an access authorization that enables purchase of an Elk Hunting License for Unit 6B by telephone: **1-888-248-6866** or at NMDGF offices. Authorizations are not transferable. **VCNP Hunts are not Once-in-a-Lifetime Hunts.** Hunters and their guests are required to attend an orientation before hunting.
