Hunter Education Program

Before purchasing a Game-hunting License or Game-hunting & Fishing License, all hunters younger than 18 years of age must obtain a Hunter Education number issued by New Mexico or another state or possess a New Mexico Mentored-Youth Hunter number. The Hunter Education number is valid for all types of hunting license. The Mentored-Youth Hunter number is valid only for deer, turkey, javelina and small game hunting licenses (page 9). While hunting in New Mexico, youth hunters must carry a current Customer Identification Number (CIN) card with a Hunter Education or Mentored-Youth Hunter number or have in their possession proof of passing a state-certified Hunter Education Course.

New this year: Youth hunters 11 years or older can obtain a Hunter Education number by completing an Online Hunter Education Certification Course. This full online course is limited to New Mexico residents and has a service fee of \$19.50.

Hunter-education numbers can also be obtained by completing a traditional certified Hunter Education Course. There are no age requirements for enrollment in a Standard New Mexico Hunter Education Course, however, students younger than 11 years of age must be accompanied by an adult. There is a minimum age limit of 11 for enrollment in an instructor-led field day course. Before the first class session, students are required to complete a set of homework. Homework may be completed online through a downloadable PDF file or with a hardcopy manual. Manuals are available at local NMDGF locations once registered. Students must attend all class sessions and pass both a written exam and a firearm proficiency evaluation to be issued a Hunter Education number. Courses are offered year-round and statewide. Early registration is encouraged to avoid missing the deadline to apply for a hunt. For complete information on course dates, locations and requirements, as well as course content and homework, visit NMDGF at: www.wildlife.state.nm.us/education.

Registration for Hunter/Bowhunter Education Courses

All students wishing to register for a Hunter/Bowhunter Education Course must have a Customer Identification Number (CIN). The CIN is provided to each individual when she/he establishes a personal NMDGF account (page 4). If you require assistance obtaining class information or a Hunter Education number please contact the New Mexico Hunter Education Program at: (505) 222-4731 or online: www.wildlife.state.nm.us/education.

Bowhunter education is not mandatory for archers in New Mexico, however it is recommended by NMDGF. Other states may have different requirements which should be verified.

Become A Volunteer Instructor

The Hunter Education Program is looking for volunteer instructors. If you are interested in contributing to and preserving our hunting heritage, please contact the New Mexico Hunter Education Program at: (505) 222-4731 or online: www.wildlife.state.nm.us/education.

Fort Bliss

All hunters on Fort Bliss, including McGregor Range, are required to have proof of passing a state-certified Hunter Education Course. Mentored-Youth Hunters are not eligible.

Mentored-Youth Hunter

Mentored-Youth Hunter Program

Becoming a Mentored-Youth Hunter is simple. First-time hunters at least 10 years of age—but younger than 18 years of age—can pass an online quiz and receive a Mentored-Youth Hunter number. This number enables a Mentored-Youth Hunter to hunt under the supervision of an adult mentor, purchase a Game-hunting License or Game-hunting & Fishing License, and apply for or purchase hunting licenses **for the following species: deer, turkey, javelina and small game.**

Mentors can be either a parent, guardian or an adult with parental consent, must be 18 years of age or older and must possess a valid hunting license. The Mentored-Youth Hunter and mentor must be in unaided sight and audible distance from one another at all times while hunting.

Participation is a one-time opportunity and good for two consecutive license years, beginning when a Game Hunting License is purchased. When the Mentored-Youth Hunter has completed the program and successfully passed the New Mexico Hunter Education course, he or she can hunt any legal species independently with no age restriction.

How to Become a Mentored-Youth Hunter

For more information about the Mentored-Youth Hunter Program visit: www.wildlife.state.nm.us/education or telephone: 1-888-248-6866.
