Pronghorn Draw Licenses

The deadline to apply for pronghorn draw licenses is March 18, 2020. Up to four hunters may apply per application for a public-land pronghorn draw license.

Successful applicants will be mailed a public-land pronghorn draw license/tag unless the E-Tag option is chosen. The license includes a hunt code and description of the unit, sporting-arm type, season dates and bag limit. Tags include instructions for proper tagging.

Bag Limit

(see glossary, pages 121–123)

MB A pronghorn with at least one horn longer than its ears.

F–IM Any female pronghorn or any male pronghorn without horns or with both horns shorter than its ears.

ES Either sex (any one pronghorn).

Private-land Only Pronghorn Licenses

Over-the-counter private-land pronghorn licenses are not valid on any public land. To hunt on private land only, hunters must obtain a private-land only pronghorn license and tag, available at NMDGF offices, license vendors, or online and by telephone. Online and telephone purchases must be made at least 14 days prior to hunt start date to allow mailing of tags. When obtaining a private-land only pronghorn license, the hunter must select a hunt code corresponding with a pronghorn-draw hunt code for the unit(s), bag limit, sporting arm type and season date. Public-land draw hunt codes are listed on pages 85–90. Written permission from the landowner is required while hunting.

Private-land Pronghorn Hunting in Units 4, 14, 46, 48, 54 and 55

Private-land hunters in these units must select one of the hunt codes listed below.

Pronghorn Conservation Recognition Program (PCRP)

Private landowners may enter the PCRP and be granted alternative season hunt dates as approved by NMDGF. Landowners must conduct and maintain substantial habitat improvements and/or land management practices that directly and significantly benefit pronghorn. A PCRP application and conservation management plan are required. To participate or for more information, contact NMDGF at **505-476-8042**.

Ranch-wide Agreements

Ranch-wide agreements allow private landowners to enroll their ranch's private deeded and public leased acres as one contiguous ranch for access by public draw hunters. Landowners are issued authorizations for pronghorn licenses valid on that property's deeded and public leased acres. To participate or for more information, contact NMDGF at **505-476-8042**.

Pronghorn Draw Licenses

The public-land pronghorn draw license authorizes the hunter to hunt on any open public land within the specified unit(s) or hunt area, on participating ranches with signed NMDGF ranch-wide hunting agreements, or on any other private land in the unit(s), with written permission from the landowner of the property.
