NEW MEXICO OFF-HIGHWAY VEHICLE LAW ENFORCEMENT ONLY 2012 GRANT APPLICATION

The New Mexico Off-Highway Vehicle Program, under the direction of The Department of Game and Fish (“Department”) is accepting grant proposals that will be distributed from the Off-Highway Vehicle Trail Safety Fund, hereinafter referred to as (“Fund”). Successful funding of grant proposals will result in agreements for OHV specific Law Enforcement/Education patrols in furtherance of the provisions of the NM Off-Highway Vehicle Program as outlined in section 66-3-1001 NMSA. Respondents to this request must utilize the appropriate Grant Application Form issued by the Department. The Grant Application Form is available on the Department’s website www.B4uRide.com or by contacting **Desi Ortiz** at 505-321-0858 or via e-mail at desi.ortiz@state.nm.us.

The OHV Grant Program provides funding to federal, state, local, and tribal law enforcement agencies to conduct OHV specific enforcement and education on public land. Grants will be for law enforcement patrol related to off-highway vehicles (OHV) and OHV safety and education. If the project includes OHV areas or trails, they must be on lands open to the public. OHVs include off-highway motorcycles, all-terrain vehicles, recreational utility vehicles, and snowmobiles. The program encourages efforts that maximize statewide and regional/geographic benefit. The program operates on a reimbursement basis. Please see the definition section of this Grant Request Proposal for detailed descriptions of the reimbursement process.

The program intends to award funds and enter into agreements with more than one eligible applying entity. Awarded entities will be subject to interim evaluations and review during the agreement period and will have the Law Enforcement Coordinator work in conjunction with the entity.
