

## 2011-12 Season Participating Ranches List for the Antelope Private Lands Use System (A-PLUS)

The following ranches receive private land authorizations for antelope hunting, and the authorizations may be obtained by the public. For each Game Management Unit (GMU), the list indicates ranches that are participating in the A-PLUS program for the 2011-12 License Year and have signed an Antelope Hunting Agreement with the Department and have been issued hunting opportunities. For each ranch the list indicates: the ranch number, the authorized ranch contact person and contact information, enrolled acreage, and the number of hunting opportunities (MB / F-IM / ES) issued to the ranch.

This list is provided as a courtesy of the New Mexico Department of Game and Fish, and any arrangements for obtaining an authorization is specifically between the hunter and the landowner or authorized ranch contact person. Once obtained by the hunter, a PLUS License Request Form must be filled out, signed and submitted along with the appropriate Resident or Non-resident license fees (as listed on the form) to the NMDGF Special Hunts Office in Santa Fe OR at any Area Office (Albuquerque, Las Cruces, Raton or Roswell), and a hunting license will be issued.

All Authorizations and licenses issued to a ranch shall be Ranch-Only and valid only within the boundaries of the enrolled ranch.

Both private and those public assigned hunters shall have free, unrestricted and equal access (to include vehicle access) to the entire ranch (deeded and leased public lands).

For details and information on Public and Private land Antelope hunting please refer to pages 41-44 of the 2011-12 NMDGF Big Game Rules and Information Booklet. This booklet is available at all NMDGF offices, on our Department website at [www.wildlife.state.nm.us](http://www.wildlife.state.nm.us), and at NMDGF vendors statewide.
