Site 38 - Springtime Campground

Cibola National Forest 505-854-2381

The San Mateo Mountains lie northwest of Truth or Consequences, (or southwest of Socorro) in the Cibola National Forest. Springtime Canyon is located at the southern end the mountain range. Summer birds include Grace's and Red-faced Warblers and Hepatic Tanager. Acorn Woodpecker; Montezuma Quail; and Bridled Titmouse are resident.

Directions: From I-25 take Exit 100. Go north on Hwy 1 (old US 85) about 8.5 miles. Turn left or west (sometimes sign is down) on the good dirt road for about 12.5 miles to the right (north) turn leading to Springtime Campground.

Olive Warbler
