

New Mexico Habitat Stamp Program Citizen Advisory Committee Application

Application must be received by 1/4/2021

Date:

Name:

County of Residence:

E-mail:

Do you manage and operate a farm or a ranch with at least two game species present?:

Can you demonstrate a history of fish and wildlife conservation and/or habitat protection?:

Phone #:

Appointment as a Citizen Advisor for the Habitat Stamp Program (HSP) carries the following responsibilities:

- Community outreach for public opinion on HSP proposals/projects
- Representation of public opinion/interests
- Communication with state and federal biologists/employees who are proposing or implementing projects
- Annual review and prioritizing of proposed HSP projects

Have you ever served on a Habitat Stamp Program Citizen Advisory Committee? **Yes** **No**

Are you currently employed by the US Forest Service, the Bureau of Land Management, or the New Mexico Department of Game and Fish? **Yes** **No**

Please describe what the Habitat Stamp Program means to you, what you see as being the most important aspects of the program and what you desire to see it accomplish.

With regard to the federal lands you are most familiar with, describe what you see as being limiting factors for fish and wildlife and what you think are the best ways to address them. (eg. maintaining wildlife waters, implementing prescribed fires, forest thinning, riparian restoration, etc).

Please describe your familiarity with New Mexico's public lands. What parts of New Mexico do you spend the most time in?

Please also describe your background (employment, hobbies, memberships, interests, etc.).

Why do you want to serve as a Citizen Advisor? Describe how you would involve and represent your community?

**Please return this application to Daniel Lusk at Daniel.lusk@state.nm.us or
New Mexico Department of Game and Fish
Wildlife Management Division
