

New Mexico Department of Game and Fish
EPLUS Online Registration Form

The Department of Game and Fish is transitioning to an online system for the EPLUS program. This system will allow participants to quickly review ranch information, print annual agreements and authorization account statements, and receive email alerts concerning the EPLUS program.

This process will require you to have or create a Customer Account and obtain a Customer Identification Number (CIN) through the online licensing system. The following link will take you to the customer account login where you can create or access your account:
<https://onlinesales.wildlife.state.nm.us/>.

Once you have obtained your CIN you will need to complete and return this form along with your signed agreement and we will establish the EPLUS online feature in your account.

If you need help or have trouble setting up an account or do not have internet access you may call 888-248-6866 and staff will assist you.

Do not return this form unless you have a customer account and can provide your CIN.

Please type or print. All fields must be completed.
