A medium-size river flowing from Colorado west into Costilla Lake then into the Rio Grande. Brown, rainbow, and cutthroat trout. Mostly private land. **COW CREEK**, C-7 to D-7. A small tributary to the Pecos River. Rainbow, brown, and cutthroat trout. Mostly

COYOTE CREEK, B-5. A small tributary to the Chama River on the north side of the Jemez Mountains. Brown **COYOTE CREEK**, B-8 to C-8. A small tributary to the Mora River near Guadalupita. Rainbow and brown trout. **CUB CREEK**, G-1. A small tributary to the west fork of the Gila River near Willow Creek. Brown and cutthroat

DAILY CREEK, C-7 to C-8. A small stream entering Mañuelitas Canyon near Rociada. Brown trout. **DEL RIO DRAIN**, J-5. A small drain near Las Cruces. Largemouth bass, bluegill, and channel catfish. **DOCTOR CREEK.** C-7. A small tributary to Holy Ghost Creek north of Pecos. Cutthroat trout. **DRY CIMARRON RIVER**, A-10 to A-12. A small stream near Folsom. Rainbow and brown trout. Limited public trail access.

EAGLE CREEK, H-7 to H-8. A small tributary to the Ruidoso River near Alto. Brook trout. **EAGLE NEST LAKE**, A-8. A 2,000-acre lake south of Eagle Nest owned by the Department. Kokanee salmon, yellow perch, rainbow, and cutthroat trout. **EAGLE ROCK LAKE**, A-7. A three-acre lake one mile east of Questa, adjacent to the Red River. Rainbow trout. **EAST DRAIN**. J-5. A small drain near Anthony.

ELEPHANT BUTTE RESERVOIR, H-4. A 40,000-acre lake two miles north of Truth or Consequences on the Rio Grande. Largemouth bass, blue, channel and flathead catfish, walleye, crappie, white bass, and striped bass. **ELK CREEK**, C-7. A small tributary to Cow Creek northeast of Pecos. Cutthroat trout. **EL PORVENIR CREEK**, C-8. A small creek on the east side of the Pecos Wilderness. Brown rainbow, and cut-**EL RITO**, A-6 to B-6. A small tributary to the Chama River northwest of El Rito. Rainbow and cutthroat trout. **EL VADO RESERVOIR**, A-5. A 3,500-acre lake on the Chama River, 15 miles southwest of Tierra Amarilla.

Rainbow, brown trout, and kokanee salmon. **EMBUDO CREEK**, B-7. A medium-size tributary to the Rio Grande near Embudo. Brown trout. Mostly private **ENCANTADA LAKE**, C-8. A three-acre lake on the north side of the Pecos Wilderness. Cutthroat trout. **ESCONDIDA LAKE**, F-5. A four-acre lake five miles north of Socorro. Catfish and winter rainbow trout. **ESTANCIA PARK LAKE**, E-6. A one-acre lake in Estancia. Rainbow trout and catfish.

EUNICE LAKE, J-12. A four-acre lake three miles west of Eunice. Largemouth bass, catfish, bluegill, and winter

FALLS CREEK, C-8. A small tributary to Tecolote Creek west of Mineral Hill. Mostly private land. FAWN LAKES, A-5. Two lakes totaling two acres. They are found two miles downstream of Red River. Rain-**FENTON LAKE**, C-5. A 30-acre lake owned by the Department in the Jemez Mountains 21 miles north of Jemez Springs. Rainbow, cutthroat, and brown trout.

GALLINAS CREEK, I-3. A small tributary to the Mimbres River near San Lorenzo. **GALLINAS RIVER**, C-8 to D-9. A small stream flowing out of the Pecos Wilderness east through Las Vegas. Rainbow and brown trout. Mostly private land. **GAVILAN CANYON CREEK**, A-6. A small tributary to the Brazos River about six miles west of Hopewell Lake. Cutthroat and rainbow trout. **GILA RIVER**, H-2 to I-1. A large river flowing from the Gila National Forest into Arizona. Flathead catfish, channel catfish, smallmouth bass, and rainbow and brown trout. GILA RIVER-EAST FORK, H-2. A small stream near Gila Hot Springs. Smallmouth bass, rainbow, and brown

GILA RIVER-MIDDLE FORK, H-2. A medium-size stream flowing from the Gila Wilderness to Gila Hot Springs. Rainbow and brown trout. **GILA RIVER-WEST FORK**, H-2. A medium-size stream that joins the Gila River at Gila Cliff Dwellings. GILITA CREEK, H-1. A small tributary to Willow Creek near Snow Lake. Rainbow and brown trout. **GLENWOOD POND**, H-1. A one-acre lake at Glenwood Trout Hatchery. Rainbow trout.

GOOSE CREEK, A-8. A small tributary to the Red River. Rainbow and cutthroat trout.

GLENWOOD FISH HATCHERY, H-1.

GOOSE LAKE, A-8. A five-acre lake at the head of Goose Creek, a tributary to the Red River. Rainbow and cut-**GRANTS RIVERWALK POND**, D-3. A small pond within the city limits of Grants. Rainbow trout and catfish. **GREENE ACRES LAKE**, F-12. An eight-acre lake in Clovis. Largemouth bass, catfish and winter rainbow trout. **GREEN MEADOW LAKE**, I-12. A 14-acre, Department-owned lake three miles north of Hobbs. Catfish, largemouth bass, bluegill, and winter rainbow trout. **GRINDSTONE CANYON RESERVOIR**, H-7. A 30-acre lake near Ruidoso. Rainbow and brown trout. **GUAJE CREEK**, C-6. A small tributary to the Rio Grande on the east side of the Jemez Mountains.

HARROUN DAM LAKE, J-10. A 20-acre lake on the Pecos River 16 miles south of Carlsbad. Largemouth bass, HARRY McADAMS LAKE, I-12. A two-acre lake four miles north of Hobbs. Catfish and winter rainbow trout. **HEART LAKE**, A-8. A three-acre lake near the head of Cabresto Creek. Cutthroat trout. HERON RESERVOIR, A-5. A 6,000-acre lake 10 miles west of Tierra Amarilla. Rainbow trout, lake trout, and **HOLLINGER CREEK**, C-8. A small tributary to El Porvenir Creek on the east side of the Pecos Wilderness. Cutthroat and rainbow trout. HOLY GHOST CREEK, C-7. A small tributary to the Pecos River one mile below Terrero. Cutthroat, rainbow, **HOPEWELL LAKE**, A-6. A 14-acre lake owned by the Department 16 miles west of Tres Piedras. Rainbow and HORSESHOE LAKE, A-8. A five-acre lake near the head of the east fork of the Red River. Cutthroat trout.

HORSETHIEF CREEK, C-7. A small tributary to Panchuela Creek northwest of Cowles. Brook trout.

INDIAN CREEK, C-7. A small tributary to the Pecos River north of Pecos. Cutthroat trout.

JOHNSON LAKE, C-7. A six-acre lake in the Pecos Wilderness. Cutthroat trout.

JACK'S CREEK, C-7. A small tributary to the Pecos River in the Pecos Wilderness. Cutthroat trout. **JACKSON LAKE**, A-2. A 60-acre lake owned by the Department five miles northwest of Farmington. Largemouth bass, bluegill, catfish, and rainbow trout. **JAL LAKE**, J-12. A 10-acre lake in Jal. Largemouth bass, catfish, bluegill, and winter rainbow trout. **JAROSA CREEK**, C-7. A small tributary to the Pecos River in the Pecos Wilderness. Cutthroat trout. JEMEZ RIVER, C-5. A medium-size stream flowing from the Jemez Mountains near Jemez Springs. Brown and rainbow trout. Some private land. **JEMEZ RIVER-EAST FORK**, C-5 to C-6. A small tributary to the Jemez River, entering at Battleship Rock. Brown and rainbow trout. **JOHN'S CREEK**, C-8. A small tributary to Sapello River. Cutthroat trout.

LAGUNA DE CAMPO (BURNS CANYON LAKE), A-5. A 15-acre lake at the Department-owned Los Ojos LAGUNA LARGA, A-6. A 15-acre lake northwest of San Antonio Mountain north of Tres Piedras. Rainbow trout. **LAGUNITAS LAKES**, A-6. Two lakes totaling 10 acres, northwest of Tres Piedras. Brook and rainbow trout. LA JUNTA CREEK, B-8. A small tributary to the Rio Pueblo de Taos near Tres Ritos. Rainbow, brown, and Cut-

LAKE ALICE, A-10. A four-acre lake south of Lake Maloya. Rainbow trout. LAKE ALICE, B-7. A four-acre lake at the head of Las Trampas Creek in the Pecos Wilderness. Cutthroat trout. **LAKE FARMINGTON**, A-2. A 198-acre lake six miles northeast of Farmington. Largemouth bass, catfish, and

LAKE HAZEL, B-7. A four-acre lake at the head of Las Trampas Creek. Cutthroat trout. **LAKE KATHERINE**, C-7. A 12-acre lake in the Pecos Wilderness at the head of Winsor Creek. Cutthroat trout. **LAKE MALOYA**, A-10. A 150-acre lake 12 miles northeast of Raton. Rainbow trout. LAKE ROBERTS, H-2. A 71-acre lake owned by the Department on Sapillo Creek 12 miles northeast of Silver LAKE RUTH, B-7. A four-acre lake at the head of Las Trampas Creek in the Pecos Wilderness. Cutthroat trout. **LAKE SUMNER**, F-10. A 4,650-acre lake 19 miles northwest of Fort Sumner. Bass, bluegill, walleye, catfish,

LAKE SUMNER STILLING BASIN, E-10. The stilling basin and short stretch of the Pecos River below Lake

Sumner Dam. Catfish and winter rainbow trout. **LAKE VAN**, H-10. A 12-acre lake one-half mile east of Dexter. Largemouth bass, bluegill, channel catfish, and **LA MESA DRAIN**, J-5. A small drain on the west side of the Rio Grande near Las Cruces. Largemouth and smallmouth bass, catfish, bluegill and crappie. **LANGSTROTH CANYON CREEK**, H-1 to H-2. A small tributary to White Creek in the Gila Wilderness.

LAS HUERTAS CREEK, D-6. A small tributary to the Rio Grande near Bernalillo. Mostly private land. LATIR CREEK-WEST, A-7. A small tributary to the Rio Grande near Cerro. Cutthroat, rainbow, and brown trout. LISBOA SPRINGS STATE HATCHERY, C-7 **LITTLE TURKEY CREEK**, H-1. A small tributary to Willow Creek in the Gila Wilderness. Brown trout. LOBO CREEK, A-7. A small tributary to the Rio Hondo 10 miles north of Taos. Rainbow and cutthroat trout. **LONG CANYON**, A-8. A small tributary to the Rio Hondo 10 miles north of Taos. Brown trout.

LOS OJOS STATE HATCHERY, A-5. LOST BEAR LAKE, C-7. A two-acre lake at the head of the Pecos River in the Pecos Wilderness. Cutthroat trout. **LOST LAKE**, A-8. A six-acre lake at the head of the West Fork of the Red River near Red River. Cutthroat trout. LUNA CREEK, B-8. A small tributary to the Mora River above Chacon. Brown and cutthroat trout.

MAESTAS CREEK, C-8. A small tributary to Mañuelitas Creek west of Rociada. Cutthroat trout. **MANUELITAS CREEK**, C-8. A small tributary to Sapello Creek near Rociada. Brown trout. MANZANARES CREEK, C-7. A small tributary to Cow Creek above Pecos. Brown and rainbow trout. **MANZANO LAKE**, F-6. A small reservoir in the town of Manzano. Rainbow trout. MAXWELL LAKES, A-9. 500 acres of lakes including Lake 13, Stubblefield, and Laguna Madre lakes. Channel catfish, largemouth bass, walleye, yellow perch, and rainbow trout. Mcallister Lake, C-8. A 100-acre lake owned by the Department on the Las Vegas National Wildlife Ref-

McGAFFEY LAKE, D-1. A 14-acre lake owned by the Department six miles south of Fort Wingate near Gallup. Rainbow trout and catfish. MEADOW CREEK, H-2 to I-2. A small tributary to Sapello Creek 20 miles north of Silver City. Rainbow trout. **MEDIO DIA CREEK**, C-6. A small tributary to the Rio Grande on the south side of the Jemez Mountains. MICHALLAS CANYON CREEK, G-11. A small tributary to Hondo Creek in the Capitan Mountains. MIDDLE FORK LAKE, A-8. A six-acre lake at the head of the middle fork of the Red River. Rainbow and cut-

MIDDLE FORK LAKE, C-7. A five-acre lake at the head of the Rio la Casa in the Pecos Wilderness near Mora. **MIMBRES RIVER**, H-3 to I-3. A small stream on the west side of the Black Range north of Mimbres. MINERAL CREEK, H-1. A small tributary to the San Francisco River near Mogollon. Brown trout. MONASTERY LAKE, C-7. A six-acre lake leased by the Department two miles north of Pecos. Rainbow trout. **MORA RIVER**, B-8 to C-10. A medium-size stream flowing through the town of Mora. Rainbow and brown MORPHY RESERVOIR, C-8. A 50-acre lake leased by the Department three miles northwest of LeDoux. Rain-

NABOR CREEK, A-5. A small tributary to the Chamita on the Department-owned Sargent Wildlife Area. Cut-NABOR LAKE, A-5. A four-acre lake on Nabor Creek located on the Department-owned Sargent Wildlife Area. **NAVAJO RESERVOIR**, A-3 to A-4. A 15,000-acre lake on the San Juan River 15 miles northeast of Blanco. Rainbow and brown trout, kokanee salmon, largemouth and smallmouth bass, yellow perch, channel catfish, crap-**NED HOUK LAKES**, E-12. Two small lakes five miles northwest of Clovis. Catfish and winter rainbow trout.

NORTH FORK LAKE, C-7. A two-acre lake at the head of the north fork of Rio la Casa in the Pecos Wilderness. **NUTRIAS LAKES (TROUT LAKES)**, A-6. Three lakes totaling 20 acres near the head of Nutrias Creek on the northwest side of the Canjilon Mountains. Cutthroat and rainbow trout.

OASIS PARK LAKE, F-12. A two-acre lake in Oasis State Park north of Portales. Catfish and winter rainbow trout.
