Hunter Education Program
Before purchasing a game-hunting license, all hunters 17 years of age and younger must obtain a hunter education number issued by New Mexico or another state or possess a New Mexico mentor-youth number. The hunter education number is valid for hunting all game species. The mentor-youth number is valid only for deer, pronghorn antelope, turkey, javelina and small game hunts for hunters 10-17 years of age and only small game hunts for hunters 8-9 years of age. (page 19).

Online Hunter Education Course (N.M. residents only): New Mexico residents 10 years of age or older can obtain New Mexico hunter number by completing an online hunter education course. Online course options can be found at: www.wildlife.state.nm.us/education/hunter-education. A service fee may apply.

Instructor-Led Hunter Education Courses: New Mexico hunter education numbers may be obtained by completing a NMDGF instructor-led hunter education course. Students of any age may attend a traditional instructor-led hunter education course, however, students 10 years of age and younger must be accompanied by an adult. The minimum age requirement to enroll in an instructor-led field day course is 10 years of age. Students must complete homework, attend all class sessions and pass both a written exam and a firearm proficiency evaluation to be issued a hunter education number. Courses are offered year-round and statewide.

Fort Bliss
All hunters, regardless of age, on Fort Bliss, including McGregor Range, are required to have proof of passing a state-certified hunter education course. Mentor-youth hunters are not eligible.
Mentor-Youth Hunter Program

First-time hunters 8-17 years of age must pass an online quiz and receive a mentor-youth hunter number. This number enables a mentor-youth hunter to hunt under the supervision of an adult mentor, purchase a game-hunting license or game-hunting & fishing license. Mentored-Youth hunters 8-9 years of age may hunt small game. Mentored-Youth hunters 10-17 years of age may apply for or purchase hunting licenses for the following species: deer, pronghorn antelope, turkey, javelina and small game.

Youth participation is a one-time opportunity and good for two consecutive license years, beginning when a game-hunting license is purchased. When the mentor-youth hunter has completed the program and successfully passed a hunter education course, he or she can hunt any legal species independently with no age restriction.

Mentors can be either a parent, guardian or an adult with parental consent, must be 18 years of age or older, must possess a valid game hunting license and must possess a mentor certification number or hunter education certification number obtained through a New Mexico hunter training course or a hunter training course of another state which is approved by the New Mexico department of game and fish. Courses are available on the Department’s website. The mentor-youth hunter and mentor must be in unaided sight and audible distance from one another at all times while hunting.

Volunteer Opportunities

Volunteers play an important role helping NMDGF provide programs and services across the state. From hunter and angler education to off-road vehicle safety and wildlife conservation, volunteers share time and talent to support initiatives that otherwise would not be possible.

If you enjoy hunting, angling and New Mexico’s great outdoors, consider giving back to your community by becoming a volunteer with the New Mexico Department of Game and Fish.

For information about the variety of volunteer opportunities available, telephone: (505) 222-4704.

A series of hunter-education videos are available on the Department’s YouTube channel at youtube.com/NMGameandFish.
