

WE NEED YOUR HELP!

On March 10, 2022, officers received a call regarding a pronghorn antelope buck that was dead in a field off New Mexico highway 89, between mile posts 9 and 10, near House, NM. After further investigation, officers determined that the the buck was shot and killed and left in the field to rot. Due to the condition of the animal, officers determined that the antelope had been dead for several days.
